

ENTERTAINMENT INSURANCE

NAVIGATING A COMPLEX MARKET

The entertainment industry is full of excitement, but it is also full of complex risks that require specialized insurance protection. That's where we come in. We will make sure your clients are properly insured and support you through the process. We represent multiple A+ rated companies and we can secure up to \$5 million per occurrence. We insure some of the most prestigious carnivals, fairs, festivals, and events in the country. Let our team help you win that client!

**WHOLESALE
INSURANCE **
REIMAGINED

**Tired of the same old boring insurance? Us too.
That's why we created Novatae.**

Novatae is a modern wholesale insurance distributor offering innovative solutions from responsive brokers, underwriters, and program managers who are passionate about helping you and your clients.

Our seasoned industry specialists have extensive market partnerships, and we offer binding authority and brokerage on many of our practice lines.

Our expertise spans dozens of industries and a wide range of products and programs including casualty, property, workers' compensation, cyber, environmental, garage, construction, entertainment, management and professional liability, inland and ocean marine, and more.

Whether you have a hard-to-place risk, or your client needs a customized program, we will identify your client's unique exposures and navigate these complex markets to secure the best coverage and price for them.

As a leading wholesale insurance brokerage, we are on a mission to energize the industry and have fun while doing it.

Markets, expertise, and fun—now you can offer your clients more!

Our team is ready to quickly provide you with a quote. Let us help you with your clients' complex risk management challenges.
